MEPET

The annual Miss Eagle Pass Pageant, proudly presented by MEPEI, celebrates young women in Eagle Pass and the Valley who are ready to lead with purpose, serve their community, and earn scholarships toward higher education. As a proud preliminary to the Miss Texas America Pageant, the program gives contestants a professional platform to showcase talent, interview skills, stage presence, and service-oriented leadership.

Designed for young women and teens ages 13-26, this leadership and scholarship pageant emphasizes:

Community service & civic engagement in Eagle Pass

Professional presentation and interview training

Talent development and public speaking

Scholarship awards empowering college readiness

It's our mission to uplift Latina leaders and Gen Z women in South Texas. The program features bilingual coaching, culturally aware mentoring, and a brand voice that says,

“WYNOT you be more?”

Contestants leave with more than a crown—they leave with skills, connections, and community impact.

MEPEI is dedicated to upholding excellence, integrity, and transformation.
