

# The Miss Eagle Pass Competition

## ✦ Miss Eagle Pass Empowerment Initiative

### Community Service Initiative (CSI) Guidelines

At the heart of the Miss Eagle Pass Empowerment Initiative is service—one of the Four Points of the crown. Your Community Service Initiative (CSI) is your opportunity to show us how you will lead with purpose, inspire change, and give back to your community.

This opportunity allows you to express your passion for a cause and explain how you intend to leverage your voice, influence, and leadership to create positive change.

#### ✦ What We Need From You

Your CSI should be one page, typed, single-spaced (font size 11–14, clean font style). Keep it focused and compelling. Include:

- Your Passion: What social issue or cause matters most to you?
- Your Why: Why did you choose this initiative? Share your story, personal connection, or inspiration.
- Your Plan: How have you already taken action—or how will you partner with your community, local organizations, or schools to create real impact?
- Your Voice: What platforms (social media, events, partnerships) will you use to spread awareness and build momentum?
- Your Actions: Highlight activities, events, or programs you've been part of—or ones you will create.

#### ✦ Submission Details

Submit as a PDF or electronic form (no graphics or photos).

You may use simple header-only graphics (like logos or taglines) at the top of the page, but keep the focus on your message.

Sign and date your CSI at the bottom right corner, and include your local title.

#### ⚡ Why It Matters

Your CSI isn't just a requirement—it's your platform. It's how you'll inspire others, demonstrate leadership, and showcase the difference you want to make as a future Miss Eagle Pass titleholder.

✦ At Miss Eagle Pass Empowerment Initiative, we believe true empowerment comes from turning your passion into service. This is your first step in demonstrating how you will accomplish that.
